

STYLISTICALLY MARKED VOCABULARY

A Try to solve these problems:

1 If an American / a British man asks for a bill, is he more likely to be in a bank or a café?

2 If an American / a British man says that he works on the second floor, how many flights of stairs do you need to climb?

3 Which would surprise you more, an American or a British man telling you that he wanted to go and change his pants? Explain why.

4 Would an American / a British child get something hot or something cold if he/she asked for some potato chips?

5 Where would you take an American / a British guest who said they wanted to wash up?

B Give examples of stylistically marked expressions used in Czech that reflect the current situation (covid-19 and Russia-Ukrainian war):
