The Lifelong Learning Programme: education and training opportunities for all

The European Commission's Lifelong Learning Programme enables people at all stages of their lives to take part in stimulating learning experiences, as well as helping to develop the education and training sector across Europe.

With a budget of nearly €7 billion for 2007 to 2013, the programme funds a range of actions including exchanges, study visits and networking activities. Projects are intended not only for individual students and learners, but also for teachers, trainers and all others involved in education and training.

There are four sub-programmes which fund projects at different levels of education and training:

- [*Comenius*](#) for schools
- [*Erasmus*](#) for higher education
- [*Leonardo da Vinci*](#) for vocational education and training
- [*Grundtvig*](#) for adult education
