

English for IT 1 – Written Presentation Assignment

- Prepare a written version of your presentation topic
- The paper should be written in full sentences and continuous prose, not as bullet points or notes
- Write the text as if you were explaining the topic to an audience, in a clear, logical, and well-structured way
- The required length is 3 to 4 A4 pages
- The paper must be formatted with double spacing
- Use justified alignment throughout the document
- Include a list of sources/references at the end of the paper
- Your work should clearly demonstrate that you are writing about a topic you know well, understand, and can explain meaningfully
- The paper should not be a simple collection of copied facts; it should show understanding, relevance, and the ability to present the topic in your own words.
- Pay attention to clarity, coherence, and academic style
- The paper must be submitted in Word format

Deadline for submission: Friday, 15 May.

Please send your paper to my email address.
