The course is completed with an exam, which you will obtain for:

- active participation in the seminar
 - test (represents 30 % of total score)
 - exam test (represents 70 % of total score)
-

- forms 30 % of total rating
- maximum possible score = 30 points
- no limitations on the minimum points to pass the test

The test will include:

- teoretical background from presentations
 - only theory
-

Test

- will be written through the IS system (a, b, c answers, complements, choice of options)
 - the date and time of the continuous test will be specified (schedule December - the last teaching week according to the schedule of the academic year)
 - **the continuous test can be written only once, no corrective date of the continuous test will be listed**
!!!!!!!!!!!!
-

Exam

- forms 70 % of the total rating
 - maximum possible score = 70 points
 - 70 points from the exam + 30 points from the test = 100 points maximum
 - for successful completion of the course you need at least 60 points (which is 60 %)
-

Exam

- will be written via IS in the PC classroom OPF
 - in case of unfavorable development of the epidemiological situation due to coronavirus, the test will be written via IS from your place of residence or from the place where you will be at the moment
 - will contain only examples from lectures within tutorials, script and possibly from other other study materials inserted within the IS
-
